Most Rev. Fr Lee Cheol Soo,
Greetings from the Cardinal Bea Centre for Judaic Studies of the Pontifical Gregorian University in Rome!

The Cardinal Bea Centre of the Pontifical Gregorian University is dedicated to furthering an understanding of Judaism and to developing a Christian Theology of Jewish-Christian relations. We are strongly committed to help overcome prejudices, increase the knowledge of Judaism and Jewish Christian relations, and create a space for dialogue and interaction.

The Centre offers a canonical licentiate in Judaism and Jewish-Christian Relations. The Licentiate aims to give a solid and multifaceted preparation on Judaism. It also promotes the development of a theology of Jewish-Christian relations and forms students in this field.

It is a new category of canonical Licentiate established by the Congregation for Catholic Education on 20 October 2020, and it is offered exclusively at the Pontifical Gregorian University. Its preparation is entrusted just to the "Cardinal Bea" Centre for Judaic Studies.

We would like to keep in touch with you (and anyone you think could be interested) to illustrate our Program. Having Asian priests/students who come to our Centre for a training program would be of mutual enrichment. This becomes even more important in such difficult times when old prejudices and antisemitism is emerging again and when clergy are required to pay even more attention to the proper knowledge and presentation of Judaism.

Please, let us know if you could be available for an online meeting and feel free to suggest anyone else you might think is interested.

Attached you'll find our Licentiate Program leaflet.
Thanks in advance, we remain at your disposal.
Humbly asking for your blessing,

Massimo Gargiulo
